

# —BSA MEMBER— GROUP REGISTRATION

ABX takes place November 8-10 at the Boston Convention and Exhibition Center (BCEC), and is co-located this year with the Greenbuild International Conference & Expo. BSA Member firms registering five or more employees for the show are eligible to utilize the group registration service!

Group registration provides your firm with several benefits including:

- Direct contact to an ABX staff member who can answer all your registration and conference questions.
- One firm administrator can register **all employees** and have registrations under **one record**.
- Receive early bird pricing regardless of when you register your group.

## Earn free bonus sessions!

Once you have “checked out” through online registration you will receive an email with free additional sessions based on how much you spend (see the incentives chart below). We encourage you to use these on emerging professionals in your firm!

**\$1,500**

Earns 2 Free  
Sessions

**\$2,250**

Earns 4 Free  
Sessions

**\$3,000**

The free sessions can only be used by employees of the same firm. They cannot be applied as credit to previous purchases.

## Tips for having a successful group registration experience:

- Make sure you have all employees final sessions selected prior to beginning the registration process (the full list of sessions is available online at <http://bit.ly/2tyPIIM>);
- Provide an email address for each registrant so you can easily send them a confirmation;
- Make additions or changes after completing a registration by logging into your account;
